Round 7 of the 2025 Championship

Round 7 of the 2025 Championship was held on Saturday 20th September 2025. The full champion positions can be found on the MTMBC website.

As with previous months, the weather was fine and yet once again the weed was not an issue thus all that was required was a visual inspection of the race course from the bank and this being clear of weed and all racers present a sharp start was made at 10 o'clock. Racer numbers were thankfully back to normal for this race due to the summer holiday season being over.

All races had been completed not long after 2 o'clock even allowing for an hour's lunch break.

As to be expected it was another brilliant day's racing with some really close fought battles and despite a few bumps here and there all went off without a hitch.

Thanks to everyone who helped with race control and scoring.

Full race results for round 7 where as follows:
