Turnout was good and we were able to run races for all the classes and with the weather threatening in the afternoon we only managed to get in two races for the Mono1's.

Steve G and myself did a sweep of the course and cleared a fair amount of weed but there were still a few bits that managed to find their way onto the boat's props. A big thank you to Jason C-W for trimming the overhanging foliage that was obscuring the course.

We made a prompt start just after 10:30 and completed the Club500 and F600B races just after 12:00 and after a 45 minute break for lunch the Wacky and Mono1 got underway with the final Wacky race being run in a torrential downpour which left everyone thoroughly soaked. The F600B class continues to grow and it was good to see Alan B participating.

It was nice to see the Mono1 racers back in force and particularly Dave P lakeside and getting back into the swing of things.

Many thanks to all who helped with race control and scoring.

A summary of the results is as follows:

CLUB500 - 1st Paul G (17 laps/39 seconds), 2nd Tony S (14 laps/47 seconds) and 3rd Mike D (14 laps/57 seconds).

F600B - 1st Paul G (24 laps/36 seconds), 2nd Steve G (23 laps/45 seconds) and 3rd John M (22 laps/37 seconds).

WACKY RACERS - 1st Tim K (38 laps/12 seconds), 2nd Dave P (38 laps/49 seconds) and 3rd Steve G (30 laps/18 seconds).

MONO1 - 1st Tim K (57 laps/19 seconds), 2nd Dave P (51 laps/6 seconds) and 3rd Steve G (16 laps/0 seconds).

Round 7 of the Championship will take place on Saturday 23rd September 2023, so see you all lakeside.
